

# AI-Powered, All-in-One Cybersecurity Platform

Alessandro Bassi – ISR Team Leader

23 GIUGNO 2026

Threats don't wait. **Neither do we.**

# CYNET AT-A-GLANCE

## Cynet Overview

Founded 2015,  
Hubs in Tampa, Boston, Tel Aviv, London, Milan, Rome.

Innovator in AI, automation, and simplification.

Delivers an all-in-one cybersecurity platform for MSPs and SMBs worldwide.

Unifies EDR, NGAV, NDR, ITDR, and UBA in one console.

Backed by CyOps, a 24x7 MDR team of security experts.

Delivered by a Global Partner Ecosystem.

Achieved 100% Protection & Detection in MITRE ATT&CK.

CyAI identifies 97% of threats, and reduces false-positives by 90%

## Customer and Analyst Recognition

**#1** Rated Cybersecurity Platform

**MITRE ATT&CK™**
